TOAST

Technical Support Representative

Managua, Nicaragua
Aug 2021 – July 2022

- Effectively communicated the functionality and features of the software we utilized to customers, ensuring their comprehensive understanding.
- Sharpened my problem-solving skills, adeptly addressing challenges and devising innovative solutions.
- Mentored newly hired employees, assigned by my boss due to my knowledge of the product, resulting in a 20% decrease in onboarding time.

WIDE OPEN WEST

Technical Support Representative

Managua, Nicaragua
April 2020 – July 2021

- Acquired a solid understanding of the internet and web concepts, equipping me with the knowledge to navigate and utilize advanced digital technologies effectively.
- Took the initiative to be transferred to a pilot line of business, quickly adapting and achieving a remarkable 30% increase in customer satisfaction ratings within just one month.
- Awarded as one of the top 10 performers for six consecutive months and consistently ranked in the top 3% of overall employees, showcasing exceptional dedication and performance.

EDUCATION

MICROVERSE

Feb 2023 – Nov 2023

Remote Full Stack Web Development Program, Full-Time

- Spent 1300+ hours mastering algorithms, data structures, and full-stack development while simultaneously developing projects with Ruby, Rails, JavaScript, React, and Redux.
- Developed skills in remote pair programming using GitHub, industry-standard Gitflow, and daily standups to communicate and collaborate with international remote developers.
